Breeders guarantee the general health of the puppy for 48 hours after purchase. Puppy is also guaranteed against congenital defects for 2 years after the sale of the puppy. If puppy is found to suffer from a congenital defect by a certified veterinarian, it may be returned to Breeder for replacement at the buyers expense. If no puppy is available at the time, buyer may select a puppy from a future litter. Under no circumstances will Cloverleaf Creek Great Danes or Breeders be responsible for any veterinary or medical bills incurred for the puppy after the date of sale to New Owner. Said Owner is responsible for proper maintenance of puppy. This includes continuing vaccinations, wormings, providing high quality dog food, water, and adequate shelter. Breeder prefers that all puppies be reared and raised indoors if at all possible. The puppy shall not be abused or neglected. At any time during the dogs life if you are unable to care or provide for the puppy you must contact the Breeder and return the dog and all AKC registration documents to the Breeder, at buyers expense, for permanent placement in a new home.
